Examiner: M. T. Ton

**TERMINAL DISCLAIMER**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The undersigned is attorney of record. INFINEON TECHNOLOGIES AG is the owner of the entire right, title, and interest in the above-identified patent application, as evidenced by the assignment recorded in the U.S. Patent and Trademark Office on February 23, 2004 at Reel 014997, Frame 0581.

The owner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of any patent granted on co-pending U.S. Patent Application No. 10/658,741. The owner hereby agrees that any patent that is granted on the above-identified application shall be enforceable only for and during such period that it and any patent granted on the co-pending patent application are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assignees.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent granted on the co-pending patent application, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer.

Our check in the amount of \$130.00 covering the fee set forth in 37 CFR 1.20(d) is enclosed. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 30169/30001. A duplicate copy of this paper is enclosed.

Dated: March 9, 2005

Respectfully submitted,

By 

Paul C. Craane
